C. AGENDA ITEM(S)

City Manager Martin introduced Mittauer & Associates.

Present from Mittauer & Associates were the following:

Mr. Tim Norman, Vice President

Mr. Jarrod Petrohovich, Project Manager

Mr. Greg Lang, Vice President of Community Development

Mittauer & Associates staff gave a presentation on successful projects they have completed with the City of Hawthorne. Current projects & city priorities, potential funding sources and partners, funding strategy, the Bipartisan Infrastructure Law, the Orange Creek Basin Plan, the existing state of our WWTP, current recommendations and future options for the City of Hawthorne.

The City Commission expressed their concerns with previous contractors and asked Mittauer & Associates staff to basically weed out the bad contractors since they are more familiar with working for them even if it means putting the project back out to bid. Mittauer staff agreed.
