C. AGENDA ITEM(S)

1. Two-Fold Water

Mr. Rick Tisdal and Mr. Todd Hubbarb were present from Two-Fold Water.

Mr. Tisdal explained that in 1985 Two-Fold Water became the water system contracted operator. Two-Fold does 6 required visits to each water tower and the wastewater treatment plant every week to make sure Hawthorne has no interruption in service. That helps the City of Hawthorne stay in compliance legally with the Department of Environmental Protection. Two-Fold services several small cities in the area and have tailored their service to meet Hawthorne needs.

The City Commission asked questions about the billing, maintenance, and contract with Two-Fold Water.

The City Commission agreed the contract should be updated to include wastewater services.
